# **Environmental Policy**

At Texas A&M University, we commit to sustainable practices that protect our assets; respect the health, safety and well-being of our community; provide strict accountability for the natural resources entrusted to Texas A&M and enhance environmental awareness and action.

In order to minimize adverse environmental impacts, we commit to:

- Reducing the generation of wastes and encourage reuse and recycling;
- Encouraging the purchase of renewable, reusable, recyclable and recycled materials;
- Reducing risks associated with the storage and disposal of hazardous substances;
- Supporting sustainability education and outreach
- Providing a forum for open communication on environmental issues as well as setting and reviewing related objectives and targets.

Respect. Protect. Preserve.
